

EMOJI PUZZLES

Remember that before you engage in any of the activities, it is important that you get your parent or guardian's permission. It is very important to us at Camp Aranzazu that you do that, so if you haven't done so yet please do not continue this activity until an adult has said it's okay

INSTRUCTIONS:

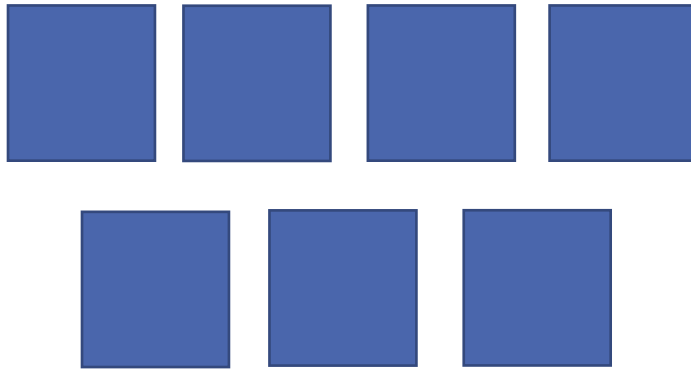

- Try and complete the word/phrase that the emojis represent.
- In this activity, there will be several emojis presented as well as letters to use for extra help.
- The blue boxes provided represent the entire word/phrase that is “hidden”.
- Complete as many words/phrases as fast as you can, then challenge someone else to beat your time.
- There are 28 puzzles, including 1 Bonus puzzle, and an answer key at the end to compare all answers.
- Print out the sheets or work from a screen, but no matter what you decide...

HAVE FUN! & get those minds thinking!
